Memo No. CRSSIET/2026/ 652

Dated: 21/04/2026

Subject: Seeking Valuable Suggestions for Finalization of revised Vision and Mission Statements.

Respected Sir/Madam,

I hope this letter finds you in good health and high spirits.

Ch. Ranbir Singh State Institute of Engineering and Technology is currently in the process of finalizing its revised **Vision and Mission Statements (annexure-1 attached)**, which will serve as guiding principles for the institute's future growth, academic excellence, and overall development.

In this regard, your esteemed association with the institute makes your perspective extremely valuable to us. We firmly believe that your insights, experience, and suggestions will greatly contribute to shaping a forward-looking and impactful revised vision and mission aligned with industry needs and academic standards.

You are kindly requested to share your valuable suggestions and recommendations in this regard **within four (4) weeks** from the date of this letter, so that the same can be duly considered during the finalization process.

We look forward to your thoughtful contributions and continued support.

Thanking you.

Registrar
CRSSIET, Jhajjar

Cc: PS to DGTE, for kind information of Director-General, Directorate of Technical Education.

Annexure-1

VISION

To emerge as a leading technical institution nurturing competent, ethical, and innovative professionals for sustainable industrial and societal development.

MISSION

1. To deliver quality technical education with strong fundamentals and meaningful practical exposure for students.
2. To nurture creativity and innovation while developing entrepreneurial skills and problem-solving abilities among students.
3. To create a dynamic learning ecosystem focused on emerging technologies and continuous improvement in teaching practices.
4. To build strong collaborations with stakeholders while promoting professional ethics, transparency, and accountability in all activities.
