

Director-Principal:

Prof. (Dr.) Shailendra Kumar

Prof. (Dr.) Shailendra Kumar took over the charge of Director-Principal of CRS-SIET, Jhajjar on 09/01/2026. He is the Professor in the Department of Mechanical Engineering at Sardar Vallabhbhai National Institute of Technology (SVNIT) Surat which is an Institute of National Importance, Govt. of India. He has more than 25 years of teaching, research and administrative experience. He has served many administrative posts at SVNIT Surat including Head of Department of Mechanical Engineering, Asso. Dean (Academics), QIP Coordinator, Coordinator of Examination, Vice-chairperson of Centralized Counseling for M. Tech (CCMT)-2017, Chief hostel warden, and Chairman of various committees.

His broad domain of research is manufacturing. He is mainly interested in additive manufacturing (AM), applications of artificial intelligence (AI) in sheet metal forming, non-traditional machining, and CAM. More than 200 research papers published in reputed International Journals and Conferences are at his credit. Three books published by Springer Nature, Singapore are also at his credit. He also organized 15 faculty development programs (FDP), six National Conferences and two International Conference in the domain of manufacturing. He has also organized one week Indo-US Council for Engineering Education (IUCEE) programme on “Advances in Manufacturing Systems”. Till date, 14 students have completed their doctoral degree (PhD) and 54 students have completed their M.Tech. dissertations under his supervision. He has also served as a member of Board of studies in various institutes and universities.

He has successfully completed 4 national projects funded by SERB, DST, & MHRD; and one international project funded by Kingdom of Saudi Arabia worth more than Rs. 4.0 Crores. He has also developed pedagogy-based online course on Manufacturing in collaboration with IIT Kharagpur. He has also visited many countries including USA, UK, UAE, Australia, France, Switzerland, Belgium, Germany, Japan, Singapore, Thailand etc. for presentation of his research findings in various reputed international conferences and chairing sessions. He has also delivered many expert lectures in various faculty-training programmes and conferences.

Presently, his main goal as the Director-Principal at CRS-SIET Jhajjar is to uplift the academic standard and ensure overall growth of the institute to make it a hub of quality technical education.
